What you can build

Thirty-one vessels in six families. Pick the one you like, and we'll help you fill it.

Geometric

Faceted glass in a metal frame, 14 shapes

Pages 4 to 17

Classic

Apothecary jars with glass lids, 3 sizes

Pages 18 to 20

Orb

Rounded glass with an acrylic lid, 4 forms

Pages 21 to 24

Biome

Wide jars with room for more plants, 4 sizes

Pages 25 to 28

Gallery

Upright display tanks, 5 sizes

Pages 29 to 33

Habitat

Bigger worlds, built to order, from 30 cm

Page 34

How it works

1 **Pick a vessel**
Every page in this menu is one vessel, with its size and its workshop price.

2 **Book a seat**
Message us on WhatsApp with the vessel and a date. We run sessions at The LINC KL, and we can come to you for groups.

3 **Build it with us**
You lay every layer yourself, from the lava rock at the bottom to the ornament on top, and take it home the same day.

Every workshop includes

1 Container	**Unlimited** Plants	**Unlimited** Materials
1 Ornament	**Unlimited** Decorative sand and stones	**Guided** By one of our designers

The price on each page covers the whole session. There's nothing extra to pay for plants or materials, so take your time and fill it the way you want.
